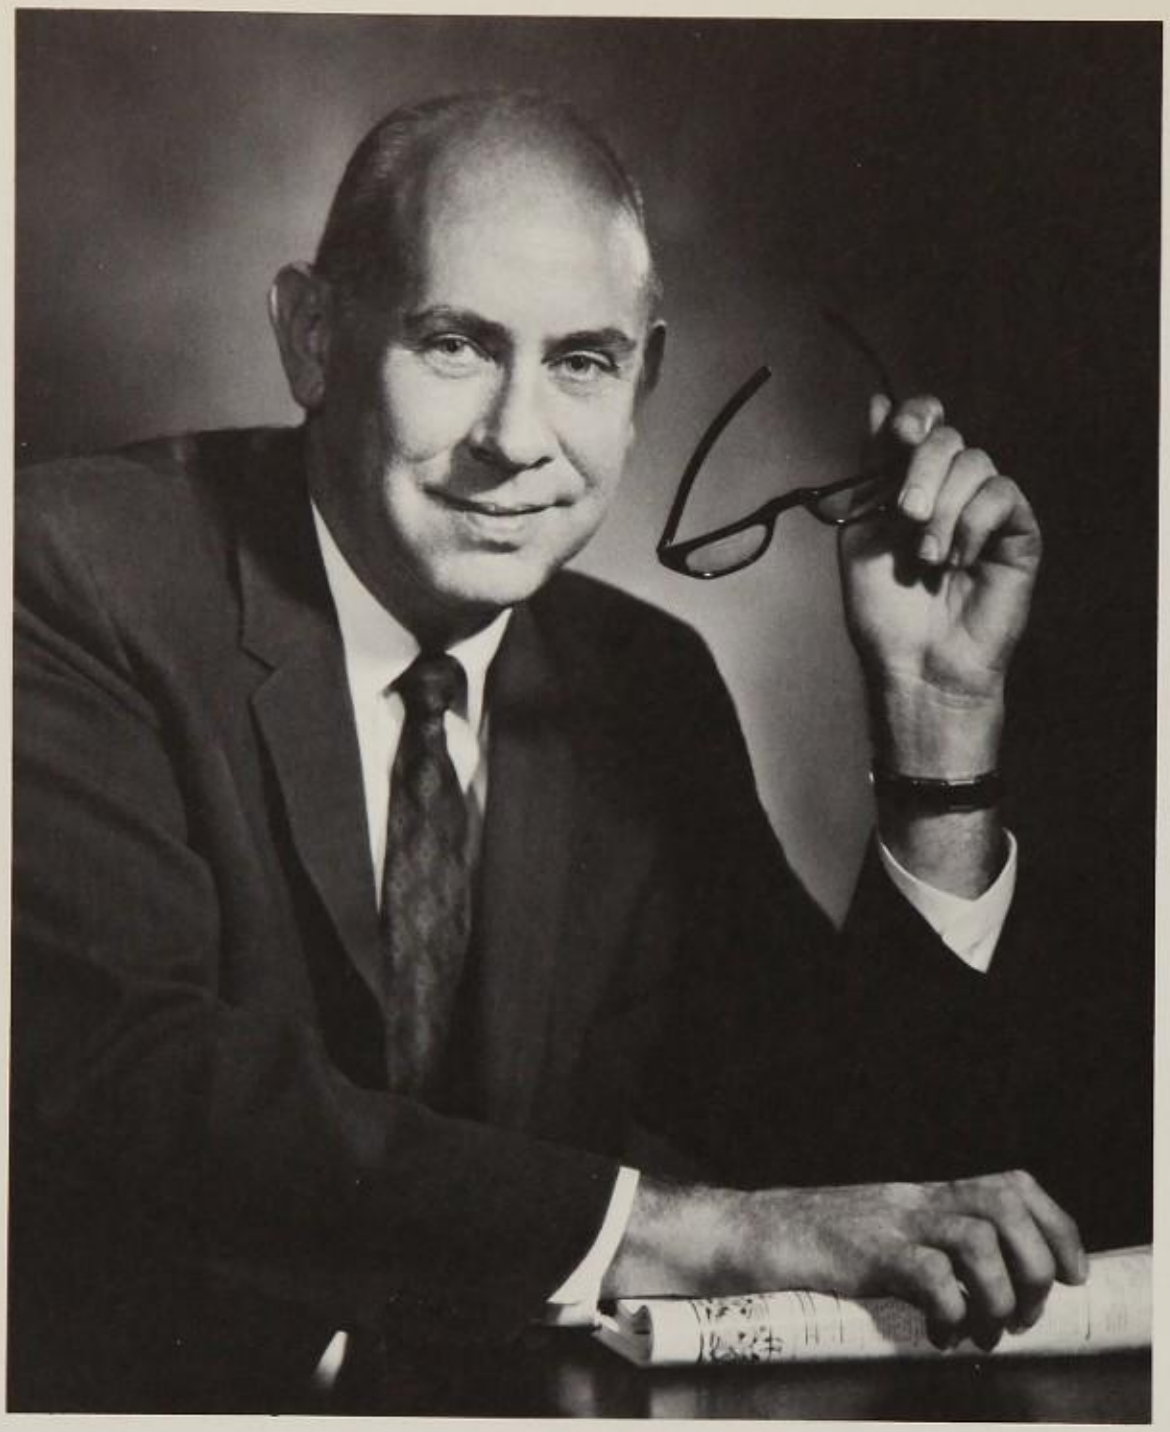
FACULTY AND ADMINISTRATION



Dear Class of 1970:

June 1, 1970

As you go forth from Forest Park High School at your particular time in history, you go forth into the opening of the seventh decade of this century. Other classes from former years have poured forth in high school and college graduations in years which were beset by wars, depressions, and times of affluence, as well as times of great breakthroughs in science, technology, and health. I cannot help by wonder what will be the overriding issues of the decade which you open with your graduation.

In Ecclesiastes, a favorite portion of scripture says:

"To everything there is a season, and a time to every purpose under the heaven:
A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;
A time to kill, and a time to laugh; a time to mourn, and a time to dance;
A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;
A time to get, and a time to lose; a time to keep silence, and a time to speak;
A time to love, and a time to hate; a time of war, and a time of peace."

I can be confident that as the Old Testament prophet so aptly put it, in each of our lives there will be a time for all facets of living.

Your education has prepared you to handle these facets or certainly you will be handled by them, for that is what education is all about. We on the staff at Forest Park High School have equipped you to meet the challenges which you will face. So go forth with courage and confidence to meet every opportunity of this emerging decade, secure in the knowledege that the standards which have been demanded of you so far through your high school career will stand you in good stead if you adhere to these in your life ahead.

With warmest personal regards, I remain

Sincerely yours,

W. Norris Weis

THROUGH THOSE YEARS

Best wishes! Haroldyn Mapes

Dear Class of 1970,

There will be in your life many occasions that you can look back upon as days of great accomplishment. One of them will surely be the day you graduated from Forest Park. This is both an end and a beginning, a goal and a launching. It is my wish for you that you will go on from here toward greater goals, and that you are taking with you from Forest Park—the knowledge, the skill and the habit of hard work that will help you achieve those goals.

May good luck and good fortune follow you all the way.

Sincerely yours,

Mrs. Haroldyn Mapes

Dear Graduates of 1970,

Graduation is probably one of the happiest experiences in your life up to this point. This being rightly so, for you have reached an important milestone in your life. As elated over this milestone as you are, it is well to remember that commencement means to begin and not to end. Education continues throughout our life time. However, the value of continuing to increase in the world of tomorrow.

Congratulations and best wishes. May your life continue to be full of success.

Best of everything
B. Merritt

Sincerely yours,

Mr. Bertram L. Merritt

Dear Class of 1970,

You've reached another pinnacle in your pursuit of educational excellence. However, after reaching this point, you must now begin thinking of other areas of educational development. There are some of you who will not go to college but will be seeking jobs. Regardless of the field you enter after leaving this school, just remember in whatever you do, pursue excellence.

Remember that you came to learn. Now that you have, go forth to serve. Good luck!

Sincerely yours,

Mr. Darryl Greene

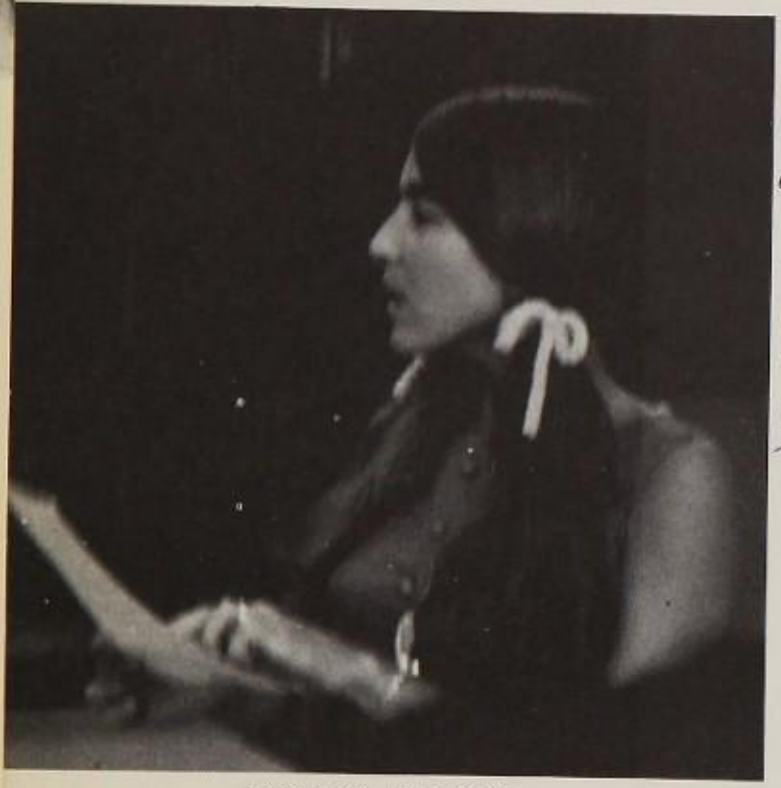
MRS. BARNEY



MISS CLAUDON

MRS. PLATER

God luck and best wishes To one of the nicest and most able students I've taught S.L. Claudon

English is a many faceted study. It involves literature, composition, and grammar. The study of literature includes classical and modern literature. Composition and grammar are practiced also.

The reading course is a valuable aid to students. Through the use of prepared materials and audio-visual aids, students' reading comprehension is increased.

MRS. McRAE

We have a well stocked library, containing about 11,000 books. More Black literature and Black history books were introduced this year. The library has many audio visual aids for use by students and teachers—an excellent source of knowledge for all Foresters.

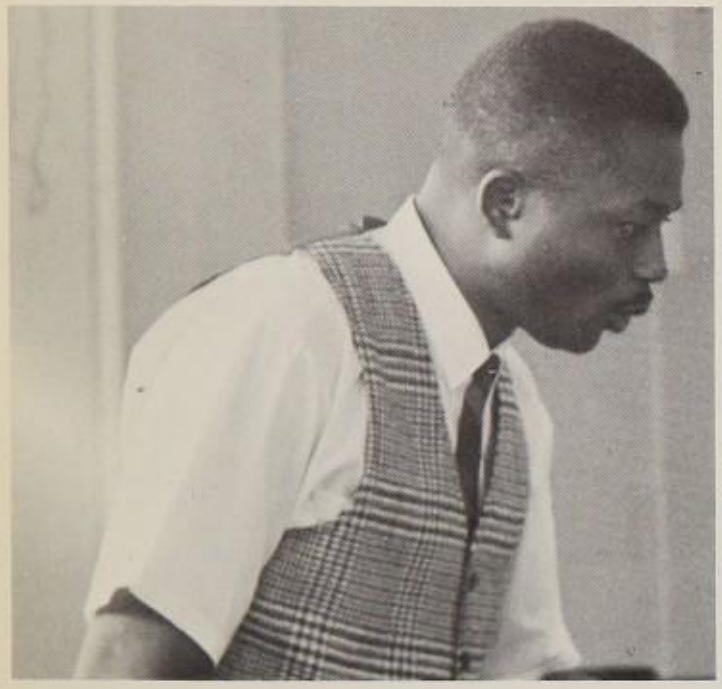
MISS JOAQUIN

DRAMA TEACHERS

MRS. PRATT

The unique three year drama major course was the first one offered in the city. The drama students come in contact with famous playwrights. Usually they help in the yearly school dramatic production.

THE SOUNDS OF MUSIC



MR. HAMLIN

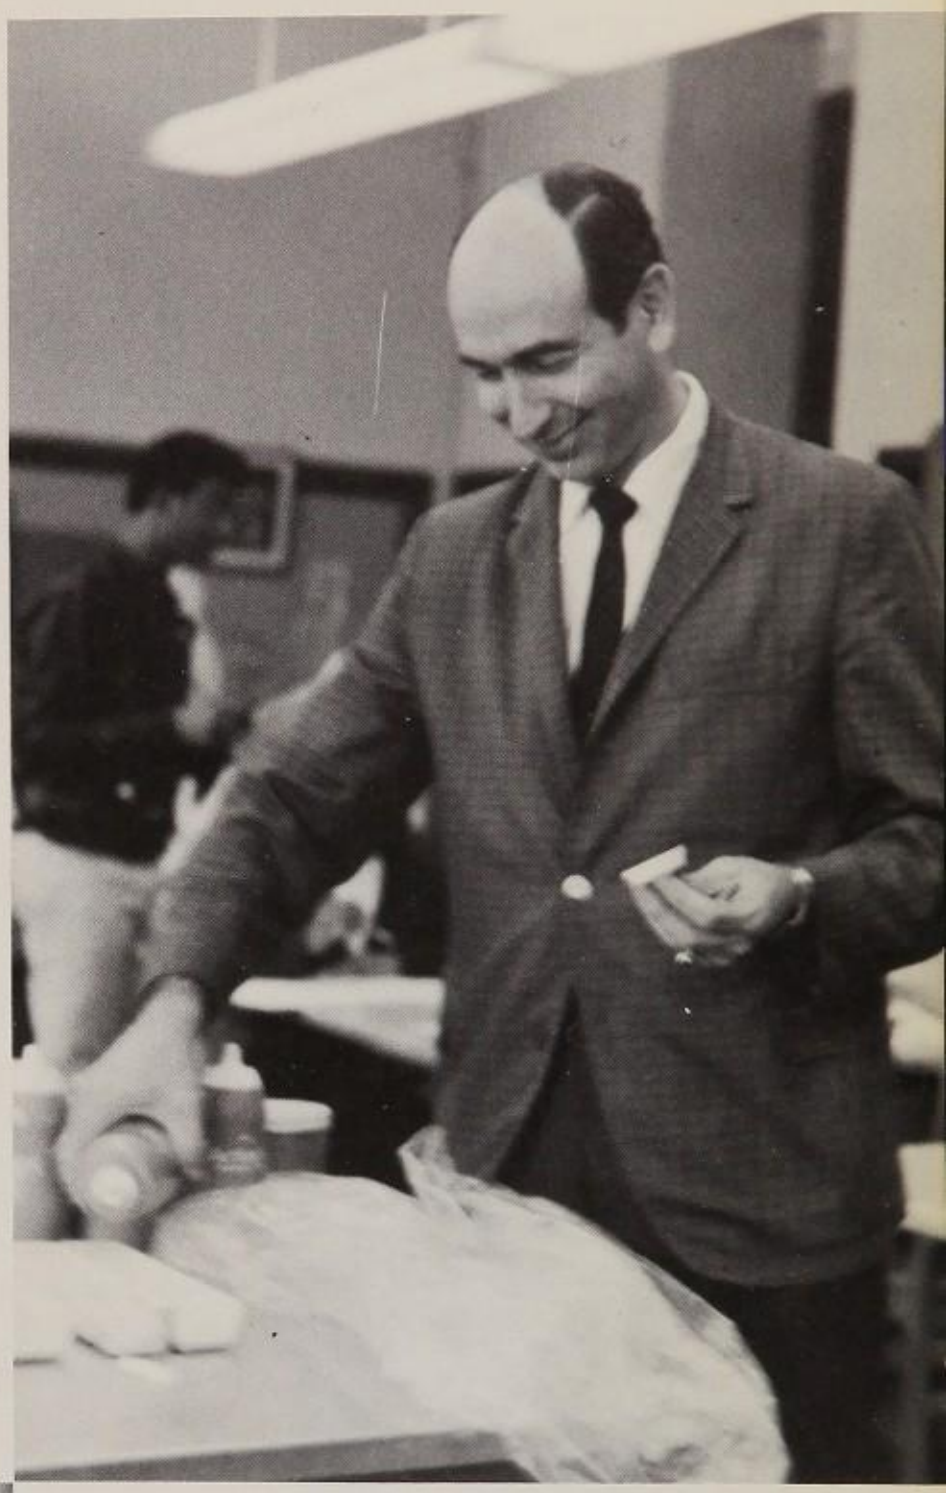
Forest Park is proud of its excellent music department. Its two musical organizations—the coed chorale and the band are in high standing in the music world. Our music department offers excellent preparations for students who are musically inclined.

MISS STREET

MR. DASCH

ARTISTIQUE

The art department gives students a chance to use their artistic abilities. They offer a three year art major course as well as an art minor course. The courses cover the history of art as well as the techniques. With the help of our capable teachers the students are able to express themselves on canvas or even in clay.



MR. PAUL

MRS. McALLISTER

MRS. TUERK

MISS HICKS

MISS REDDICK

The language department is instructing students in French, Spanish, and German. They were greatly assisted by the new laboratory which enables students to listen individually to a tape. Miss Gessler is the department head.

MISS SCHRAMM

SPECIAL EDUCATION

The deaf program, established here in 1966, was the only one in the nation to concentrate on teaching deaf students on the secondary level. Since the installation of this program educators from Boston and Philadelphia have visited the school to view the program in action. It is most successful and has helped to further many deaf students' education. The deaf students function as well as regular students. The students presently enrolled in this program are doing a very good job.

The courses in the business department are designed to make students aware of the demands and needs of business so that they may successfully compete with thousands of others in the labor market.

Work study and distributive education are two programs in use this year. Work study students attend school one week and report to work the next. Distributive education students attend school in the morning and work in the afternoon.

The mathematics department headed by Alfred Culley offers one of the most inclusive courses in the city. The pride and joy of the department this year is the Programma 101. The $4000 computer was purchased from Olivetti Underwood. About twice the size of a typewriter, the computer is capable of performing all of the fundamental mathematical operations. Presently in the experimental stages, this introductory course will provide an exciting and new dimension to the math department.

In a continuing effort to offer subjects relevant to the students, two new courses have been added to the history department, Afro-American history and Social Psychology. Afro-American history is taught by Miss Irving, who has a degree in African Cultures from Antioch College and who spent two years in Tanzania with the Peace Corps. Social Psychology which is only an introductory course is taught by Mrs. Tyler.

Today's young woman should be well versed as a scholar and as a homemaker. The home economics dept. is doing its part to prepare the modern girl.

Sewing taught by Mrs. Brosnahan encourages girls to sew their own clothes.

The cooking unit teaches attractive food preparation and proper table etiquette.

Mrs. Anna Surasky, the school nurse, believes that her main duties are "to promote mental and physical well-being in the students and to aid in the correction of defects."

She is not able to prescribe medication to students, but sick students are given the opportunity to use ice caps, hot water bottles, one of the beds for rest, or the famous tea pass.

FOOTBALL

The 69-70 football season at Forest Park started the mihtgy Woodsmen off to a wild streak of victory. As usual, the season opened with a game against Wicomico High, Salisbury, Maryland, with the mighty Foresters reigning victorious. At all games, the morale of the Foresters was high and cheering the Green and Gray on to victory. Our defense was merciless; the mighty Woodsmen, ably coached by Warren Schwartz, emerged triumphant with Patterson for the "B" Conference Title. After leaving a game, you can still hear a spirited echo, "We are the Foresters, the mighty, mighty Foresters!"

PHYSICAL EDUCATION

Physical education is a vital phase of all education. It is no longer considered merely a means for promoting physical well-being, but it is the principle of education for complete, successful living. The recognized physiological interdependence of body and spirit, also with the mind and the educational significance of muscular activity in maintaining physical fitness, have placed physical education in the school system.

Girls at Forest Park are being prepared with physical education to meet tomorrow's world. The educational objective unfolds and develops physique and personality in physical education.

For each season there is a series of varied sports' activities including: tennis, basketball, gymnastics, badminton, volleyball, table tennis, bowling, swimming, archery, and modern dance.

28th ANNIVERSARY

THE ENSIGN C. MARKLAND KELLY, JR. MEMORIAL POST #174 of the AMERICAN LEGION was formed in his honor, to perpetuate his name and keep alive the AMERICAN ideals for which he so willingly gave his life.

☆

To this end the Ensign C. Markland Kelly, Jr. Memorial Post #174 has been active in many programs and activities, a few of which are listed below.

- American Flag – Educational programs for flag etiquette and American Flags presented to Boy and Girl Scout Troops.
- Athletics – Junior baseball, basketball and lacrosse teams sponsored. Lacrosse trophies for High Schools and Colleges. A baseball field is maintained in the Northwood area. Annual Sports Award presented to an outstanding coach in the State of Maryland.
- Baltimore City Zoo – Gifts of (11) Polar bears, Jenny the elephant and most recently the Sardinian donkeys, Ginger Bread and Cupcake.
- Boys and Girls State – (8) High School Juniors each year sponsored.
- Boy Scouts – Over 18,000 Boy Scout calendars presented annually to schools, troops and Cub Packs.
- Essay and Oratorical Contests – Sponsoring contests in all schools interested.

ACTIVE SUPPORTER OF ANNUAL AWARDS PRESENTATION TO BALTIMORE AREA RECIPIENTS.

- Open Shutter – Maintain film library for "shut-in" institutions as well as providing live entertainment and refreshments as occasion arises.
- Scholarships – McDonogh School and Baltimore College of Commerce.
- Memorial Services – Open to the public, each year a Memorial Day Service is held at Loudon Park Cemetery on May 30th for all who have made the supreme sacrifice for their country. Watch for announcement in the papers.

Since its inception, the Post has been interested in the community; and many things have been done to promote its welfare. Special credit should be given to the ENSIGN C. MARKLAND KELLY, JR. MEMORIAL FOUNDATION, INC. for their financial assistance. The result – many of the programs are a reality rather than a dream.

Congratulations
